Bloom Where You Planted

Life is uncertain and throws curve balls when we least expect it.

Prison Ministry was never on my radar of places my life would one day take me. It was never even an after thought.

Crossing the threshold of uncertainty and trusting the Lord has my best interest at heart, He called me to discipleship and opens doors that literally slam shut behind me every time I enter a prison. Behind the razor wire and steel bars are broken and shattered lives striving to make a better outcome. A community of extraordinary people, which is exactly where the Lord *planted me*.

Sharing our story is no longer about us or the heartache. It's all

about the Lord and the healing he brings from trusting the Lord as he parts the waters and walks with us through the storms of life.

Life is a journey. Sometimes our destination isn't the outcome we hoped for.

Speaking at London Correctional last week, I was blessed to witness to a multitude of offenders and staff. Some wouldn't or couldn't look at me for their own reasons. Be it

shame, regret, hopelessness or perhaps unforgiveness? Possibly feelings of conviction. Only they know the struggles they are facing.

I witnessed countless testimonies of healing and forgiveness of those who have found Hope, Truth and Love. God's pure love.

When we bloom where the Lord plants us, He will work miracles.

Life is a season and its up to us to chose joy over happiness. Joy is eternal, happiness is fleeting. We bloom and we wither; and the Lord provides nourishment in His word where Hope springs eternal.

Life is a journey, bloom where you are planted.

Bike - Run - Walk**

Fundraiser is held at Roger Nesbit Park in Loveland OH.

This event raises awareness of victims of violence. As with the history of the S.T.A.C.I.E. Foundation, our event is to remember those lost to violence.

The Isaac Miller Memorial Bike, Run, Walk event is in memory

and tribute to Isaac and all victims of crime.

"My son Isaac was too young to understand the foundations mission when he participated in the first three bike events, but he was there. He was killed in December 2013. The S.T.A.C.I.E. Foundation was there for me." - John, Isaac's dad

Isaac's young life was taken in a horrendous act of violence at the age of fourteen. Isaac was a boy

who loved adventure and vibrant young 14 year old was loved by all.

Participants may bike, run or walk in honor of, or in memory of those affected by violence.

We remember Stacie, Isaac, Samantha and the Rhoden Family.

We will never forget.

**"He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart."
Psalm 91:4**

This is Our Story:

January 29, 1999... in a quiet suburban neighborhood in Yorkshire, Virginia; my two teenage daughters, Stacie, age 16 and her younger sister, Kristie, age 14, were brutally attacked in our home.

During an attempted rape Stacie fought desperately to fight off her attacker. She lost the battle and was murdered, when the attacker stabbed her to death.

Kristie upon arriving home two hours later was met at her own back door by the murderer. Unsuspecting, she entered her home and upon finding her sister, was forced to the basement. She was brutally attacked and left for dead.

This is our journey...

Upon receiving this heart wrenching news, I was thrown into a instant state of shock. My oldest daughter had been murdered, and Kristie's life was hanging by a thread.

Kristie endured five hours of surgery. I sat beside Kristie's bedside for three days, praying for a miracle. I poured my heart out to God.

He answered. Kristie survived with no disabilities.

"This is the confidence we have in approaching God: that if we ask anything according to his will, he

hears us— whatever we ask— we know that we have what we asked of him."

1 John 5:14 NIV

Consumed by a grief so heavy it shrouded me in complete darkness I carried for seven years. The attacker pierced all our hearts that fateful day.

Lorraine founded the S.T.A.C.I.E. Foundation in 2001, as an Impact Speaker seeking answers to questions she didn't know how to ask.

The journey she has traveled has brought peace and healing from unique places, where she found forgiveness.

Our Motto:
